New Skin Care Kits – one for every one

6 new kits for healthy, radiant skin

GS Products has brought to the United States, a high performance, Swiss Skin Care product line that uses only 100% Pharmaceutical Grade Ingredients. The quality of these Swiss ingredients is critically important for protecting, restoring and renewing the skin.

Premium Anti-Aging Kit

Eye Region Cream,
Presige Cell &
Renaissance Age Serum

Following a routine skin care regimen allows the skin to naturally balance the pH level, fight signs of aging, combat breakouts and maintain hydration. Each of the GS Products Skin Care Kits includes a moisturizer because balanced moisture content in the skin is the most important key to a long-lasting, radiant and youthful glow. The Fountain of Youth is actually in a jar – moisturizing the skin is the single most important step one can take in maintenance of their appearance.

When you bundle, you save! GS Products has introduced 6 kits that will appeal to any skin type with a myriad of varying concerns – from dry and damaged to anti-aging. With 3 kits that will be appropriate for a basic routine, and 3 Premium kits that indulge those who are truly invested in their skin, for both appearance and health. These six kits are as follows: Essential Care, Essential Hydration, Essential Anti-Aging, Complete Care, Intense Hydration and the Premium Anti-Aging Kit.

All GS products have received the Swiss Crossbow of Excellence. Paraben Free, Mineral Oil Free, Animal Cruelty & Testing Free.
